

MINUTES OF THE 3RD DISTRICT LEVEL MONITORING COMMITTEE (DLMC)
MEETING HELD ON 9/3/2011 IN THE CONFERENCE HALL OF DEPUTY
COMMISSIONER PASIGHAT.

The meeting began with welcome address by Deputy Commissioner Pasighat Shri Onit Panyang . In his welcome and introductory address he highlighted the significant and objective of the meeting and appealed all participant to make the meeting a purposeful and as objective as possible.

The list of members attended the meeting is appended at ANNEXURE-A

The points that were unanimously adopted in the meeting are as:-

1. Re-constitution of Sub-Divisional Level Monitoring Committee (SDLMC):-

The Sub-Divisional Level Monitoring Committee (SDLMC) earlier constituted on 6/8/2010 during the 2nd meeting of DLMC was reviewed by the house and found to be in effective mainly on account of communication gapping.

Thus, for making the SDLMC effective and operative, the house unanimously decided to re-structure the SDLMC, which will now be headed by concerned Administrative Officer as its chairman, instead of Zila Parishad Member (ZPM) for sake of easy and better correspondence. The SDLMC will now have the following composition with immediate effect

- | | |
|----------------------------------|-------------|
| 1. ADC/SDO/EAC | :- Chairman |
| 2. ZPM of the area | :- Member |
| 3. BDO/AE of implementing agency | :- Member |
| 4. AE of any engineering deptt. | :- Member |

2. Function of SDLMC:-

The SDLMC will carry out strict monitoring/supervision of works being implemented by any department in their respective area under various schemes like ACA/SPA/NEC/RIDF/NLCPR etc. quarterly and thereafter submit its report to chairman DLMC for placing in the DLMC meeting. The monitoring work as suggested by EE WRD Pasighat shall invariably be done before and after completion of works, preferably before making payment of the final bills to the contractors. The schemes list should be made available to the chairman, SDLMC by the concerned executing department for monitoring purpose.

1. Applicability of Tender System:-

To ensure possible economy in execution of works and to avoid cost escalation treat the competitive bidding or tender system of works as opined and suggested by EE PWD Pasighat was ratified by house on the condition that the bidders are bonafide member of the concerned area. Welcoming the suggestion DC Pasighat Shri Onit Panyang also hoped that this would go a long way in maintaining economical and quality of works in future.

4. Quarterly Convening of DLMC Meeting:-

Quarterly conduct of DLMC meeting as proposed by DC Pasighat was also adopted in the meeting. All EE/BDO of schemes implementing department should compulsorily attend the meeting, except on health or other unavoidable grounds.

ZPM Boleng Shri Takum Tasing reiterated that the District Administration should ensure participation of all EE/BDO of schemes implementing agency in such a meeting by taking appropriate action against the defaulters, otherwise the meeting itself bears no meaning and involve wastage of time particularly for those coming from far off area like Riga, Boleng and Pangin.

The members took exception with willful absence of Er. Dumar Bagra EE PWD Boleng for the second time without any valid reason and decided to bring the matter to the higher authority.

5. Schemes Implemented by EE PWD Division Pasighat:-

The EE PWD Pasighat while presenting the scheme list before the house, informed that all schemes being executed by his division under NEC/ACA/SPA/NLCPR etc. have attained almost 100% completion and in some cases works are on the verge of completion by March/April' 2011.

6. Schemes Implemented by EE RWD Division Pasighat:-

The EE RWD Division Pasighat was represented by Er. O. Apum ASW on unavoidable ground. Er. O. Apum presented schemes list being executed by RWD Division Pasighat under NLCPR/NEC/ACA before the house.

On being asked by some PRI members on the issue of delay and work quality aspects in respect of Silie-Mirem Bilat road Er. O. Apum frankly admitted that the exact field status/performance report of work could not be furnished by him being an ASW.

Schemes Executed by PWD Division Boleng:-

The EE PWD Boleng did not turn up in the meeting for the second time in a row and was represented by AE Er. T. Taggu, who in his speech admitted that he was actually on the way to journey and therefore could not place the scheme list before the house for deliberation and discussion.

The house being dismayed at the lackluster attitude of EE PWD Boleng, urged him to be available himself in such an important and significant meeting without going for a representative and that too in a casual manner as admitted by Er. T. Taggu. In the 2nd DLMC meeting on 6/8/2010 also EE PWD Boleng was found to absent and not even sent any representative. Such a practices by any responsible officer like EE PWD Boleng, upon whom lies lots of people expectations and aspirations is really a matter of shame and uncalled for.

8. Schemes Executed by EE PHE & WS Division Pasighat:-

The EE PHED Division Pasighat informed the house that potable drinking water supply at Sille, Rani, Sika-Tode, villages have attained 90% completion under NLCPR.
