The proposals should be submitted as per the new prescribed format given at 'Annexure-V' in the revised guidelines issued by the MHA for the purpose. 3. All proposals submitted under BADP in the previous years and not sanctioned till 2007-08 will not be treated as pending schemes and if they are still considered as priority, then the same may be incorporated in the Annual Action Plan of 2008-09 'Annexure-V' and may be proposed within this year's allocation.

4. Decision regarding utilization of 1% fund allocation (subject to maximum Rs.25.00 lakhs) as mentioned at para-6.4 in the page-5 of the revised guidelines will be taken in due course.

5. While submitting the schemes following points may be taken into account :-

- a) Schemes should be designed to take care of the special problems faced by people living in the border blocks, particularly in the rural areas. Schemes for rural and remote areas along the international border should be given preference over schemes for other areas.
- b) The schemes proposed, should be strictly as per eligibility appended in the illustrative list of schemes (Annexure-I) admissible under the revised guidelines of BADP-2008.
- c) It may be ensured that no single sector gets a disproportionately large share of the total allocation.
- d) Individual schemes with detail specifications are only to be proposed..
- e) The schemes which will be proposed under BADP, should not be taken-up from any other Central / State funded programmes including DLP, MLALADs, MPLADs, CSS and normal state plans. In this regard, the Deputy Commissioners should submit a certificate separately along with the list of schemes, without which proposals will not be considered for placing before the SLSC.
- f) The proposals received after the stipulated date / not covered under BADP guidelines / without relevant information and detail specification / not submitted in the prescribed format will be summarily rejected.
- g) Schemes should be proposed after proper scrutiny, since change of scheme(s), once proposed, will not be entertained.
